# A DEDICATION TO MISS ELLARD

We, the Class of 1965, dedicate our Yearbook to you, Miss Ellard. As we now venture forth to unknown horizons and unknown destinies, we will look back on these three unforgettable years with the greatest amount of pride. As we proceed to cross that vast ocean of life with its many waves as obstacles in our path, we will carry with us gratitude in our hearts for all the time and energy you have put forth in our behalf. For this, we will ever be in debt to you.

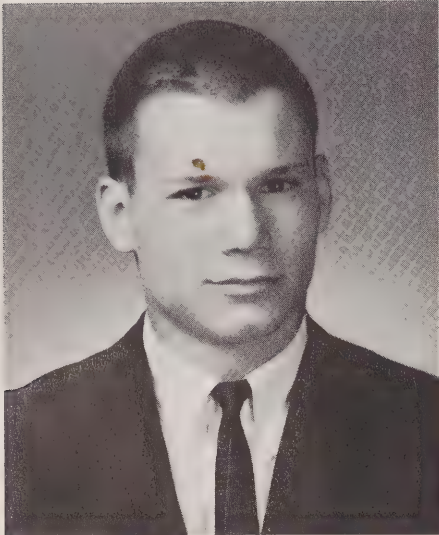

Miss Ellard, in her capacity as Class Advisor, has materialized her tremendous love and devotion to the students of this Graduation Class of '65. Her drive and fine example have inspired and given incentive to those students who have participated with her in the planning of our numerous activities. In all of her actions she has exercised an unlimited amount of patience and understanding. She is indeed a perfectionist, this being illustrated in the end result of all of her undertakings, such as our proms. Will we ever forget those magnificent evenings, with their grandeur and enchantment? These wonderful occasions will forever remain in our memories, as will the person upon whose shoulders the burden of planning and preparing these splendid events was placed. For this too, Miss Ellard, we are indeed thankful.

Miss Ellard is a true teacher in every respect. She possesses all of the qualities which necessitates the ideal educator. She has had unwavering faith and respect in the students of this Class. She has had an extraordinary influence upon us who have been entrusted to her care these past three years. Miss Ellard has conveyed to us a kindness and consideration which has been felt and greatly appreciated.

Now the end, or rather the beginning, has come. Each of us has now begun his journey across that immense ocean of life, plotting his own course and striving to attain his individual goals. Now that Time has ever so rapidly carried us to the end of that path through Medford High, and we reluctantly leave behind warm friendships and wonderful times, we have been suddenly struck with the realization of the infinite number of tasks and sacrifices made by you, Miss Ellard. We want you to know that we are all going to try to achieve some kind of success . . . this, we believe, will be our tribute to you.

# THEME

Now the time has finally come for the Class of 1965 to cross the threshold of M.H.S. for the very last time. As we slowly, with heavy footsteps, tread down that path leading from Medford High, we will turn back slightly for one last glance at what is now our alma mater. But with determination we will quickly look ahead and with courage in our hearts will face that large and steadfast door which lurches before us. This is the door of life, behind which lie our unknown destinies.

The door is suddenly thrust open and we are drawn into a whirlpool of confusion with an infinite number of inner doors springing up in front of us. Each of these locked entrances has strange words written upon it, such as SUCCESS or FAILURE. We become thoroughly perplexed as to what door we should attempt to unlock when we suddenly remember a key—a key that has been given to us at M.H.S. It is the key of knowledge which opens the door of success. The key is not in itself success, but rather a means by which it is obtained. Upon opening this door, there might be a long, winding corridor which must be traversed before reaching our final destination, but by the use of this key we have been placed in the right passageway and with the help of God and by our own fortitude we will succeed. This key has been entrusted to us by our teachers who have placed it in the keyhole. Now it is up to us to turn it . . . Let us not allow this key to rust in the keyhole; let us hear that door of success slowly creak open.

## “I OFFER YOU THIS COUNSEL . . .”

Girls and Boys of the Class of 1965:

I wish for each of you success, health, but, most of all happiness!

Success and health, of themselves, are to be desired, but happiness is the very sustenance of life.

There are many ways, I suppose, to describe happiness, and expressions out of the ages have recorded the feelings of thinkers on this subject. Poets have sung of it, historians have made note of it, and philosophers have explained it.

It is, simply, serenity of soul.

Each of you in the flush of youth, enthusiastic to meet the challenges of life, eager to make the world a better place, filled with courage to overcome all obstacles, only now at your particular priceless age may view the future with the resolute determination and the vigor of your counterparts everywhere in the world.

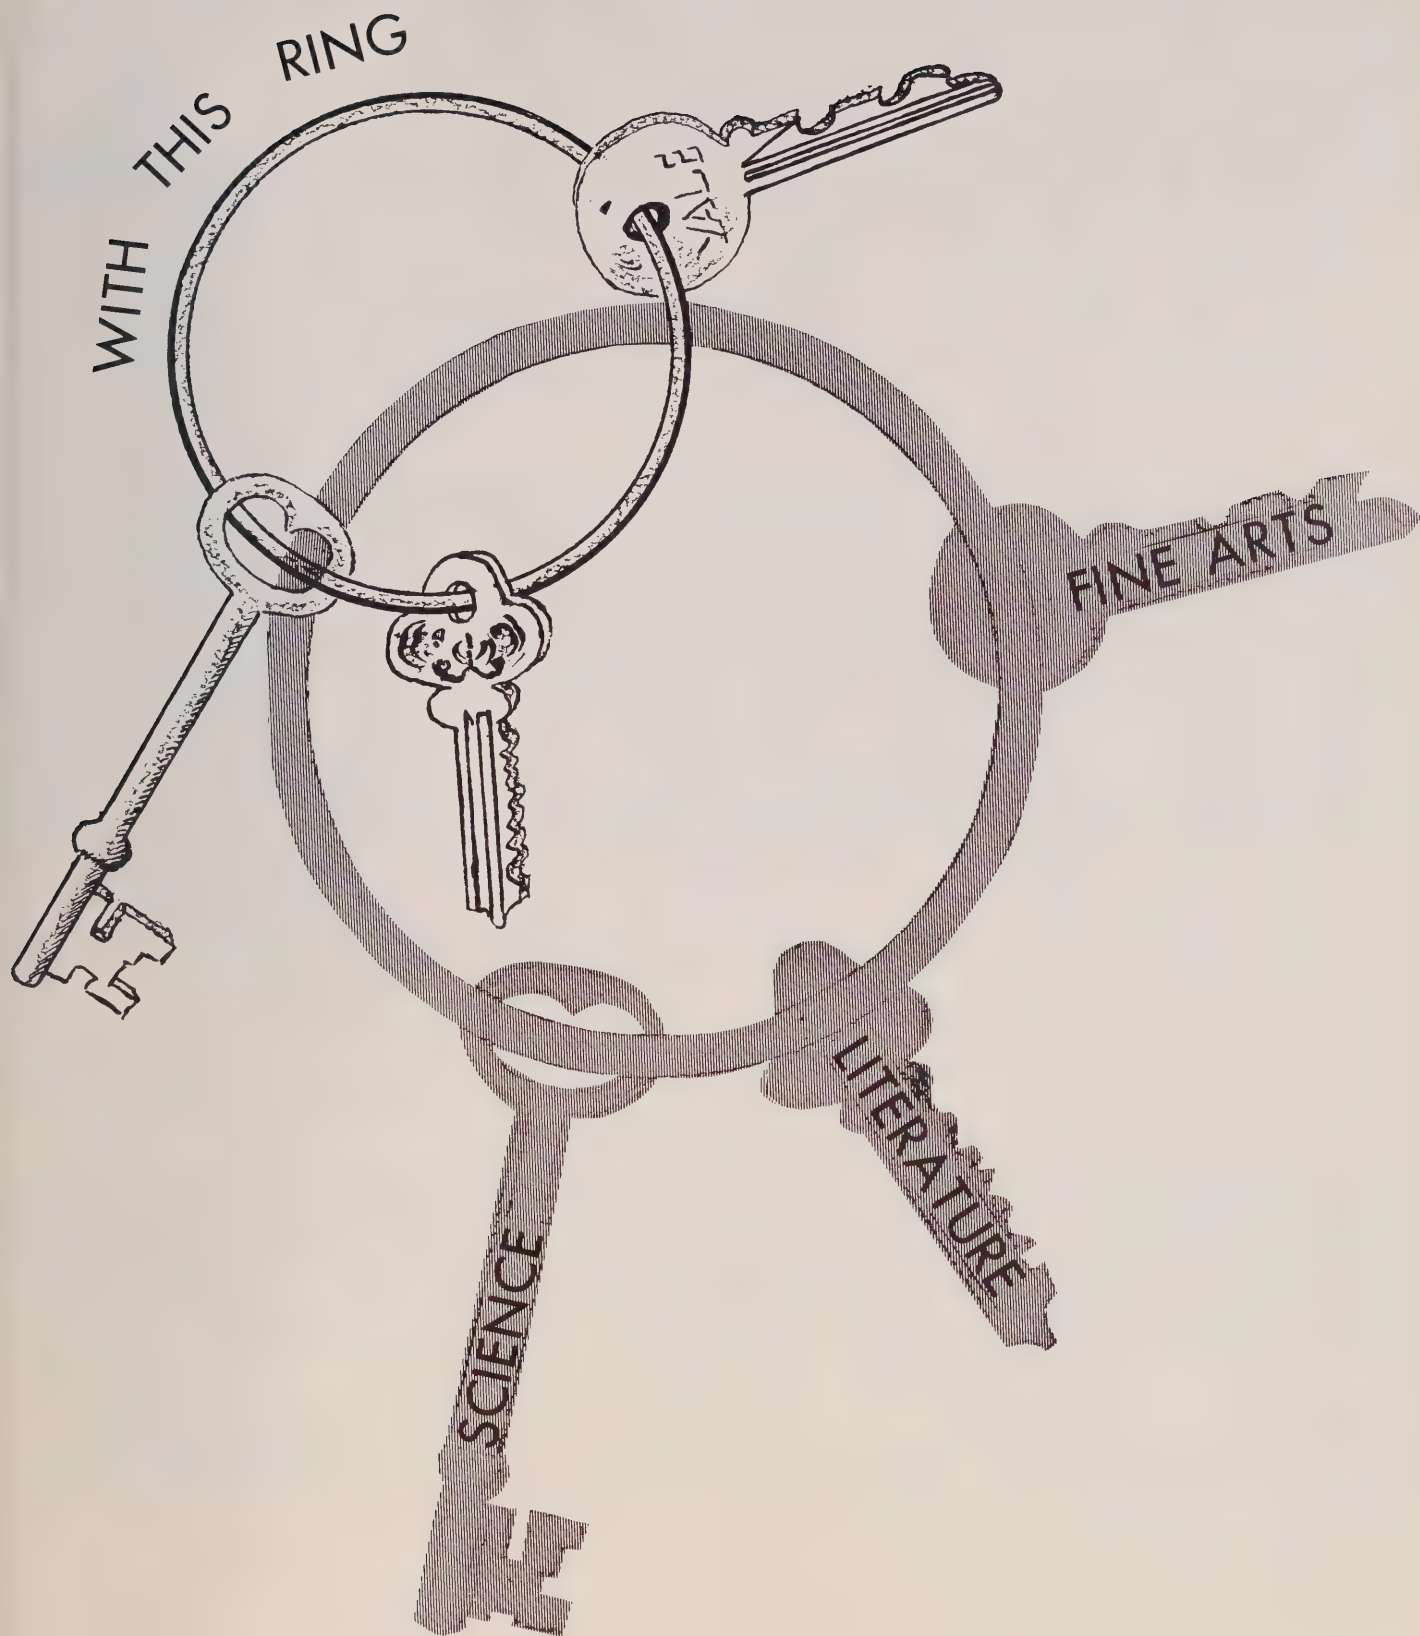

To be happy, you must be well adjusted and oriented in relation to your Maker. It is only when your thoughts are synchronized with God in His direction that you will find peace of mind. Therefore, it is most important that each of you know yourself first in this relationship before you can find peace, or health, or happiness around you. All knowledge really begins from this point, and the sooner each of you accepts this proposition, the sooner you will realize the full successes of your talents and your labors. Your obligations to each other are many and great, your responsibilities are equally burdensome, but your promise and the promise of life for you are the precedent on which to base the premise of your destiny.

Whatever your ambitions may be, whatever your interests are, whatever your talents may offer, you will miss something which is almost indescribable unless from within yourself you first know and understand this inner peace. And so, in brief, I offer you this counsel—Seek first to know yourself in relation to God, and your life ahead cannot help but be successful, wholesome, and filled with joy and happiness.

Sincerely,

WILLIAM A. McCORMACK, Headmaster

## ALL GIRL CHOIR

The All-Girl Choir, under the direction of Miss Gundrun Ekman, has been extremely active this year. First of all, in combination with the other choral groups, it has added zest and sparkle to many of our assemblies. Its Christmas performance and the beautiful echo of carols in the corridors have done much to bring the Christmas spirit to Medford High.

The All-Girl Choir has also participated in many other activities, among the foremost being performances at the Medford Public Library and the Lions Club. This year's program of activities came to an end with the annual banquet in May.

## ART CLUB

President: James Porcella  
 Vice President: Nancy O'Neill  
 Secretary: Gail Fulton  
 Treasurer: Jacqueline Whitaker

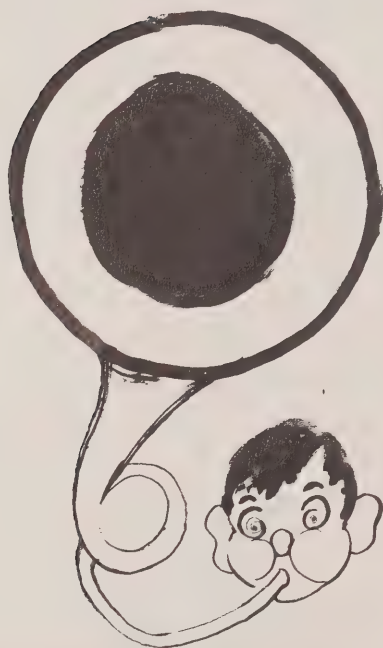

On many occasions throughout the school year, especially when there was a prom or other important event, the corridors of the high school were brightened considerably by the handsome and well-done posters and decorations contributed by the Art Club. Under the direction of the club's advisor, Miss MacMillan, the Art Club did an efficient job in bringing the rare and often unappreciated quality of beauty into our otherwise lustreless days. Let's all thank the members of the Art Club for contributing their artistic skills to give an aura of warmth and beauty to our school.

## BAND

Director: Ralph I. Schoonmaker

The Medford High Band, under the direction of Ralph I. Schoonmaker and Mathew Gryzb, has played an important role in many of our activities these past three years. It has added color and zest to our football games, school assemblies, and local parades. This active organization has also participated in three shows sponsored by the Zonta Club, two of which featured Myron Floren. For a number of successive years the Medford High Band has had the honor of taking part in the exercises opening the Christmas season in at the State House in Boston.

The Band has made several trips in recent years. In the spring of 1963, it spent a weekend in Wolfboro, N.H., where it gave two benefit concerts. But the most memorable of its recent trips came last year when it went to the New York World's Fair. This was quite a thrilling experience for the members of the Band, as they were given the opportunity of performing two concerts at the Federal Pavilion. Besides touring the Fair for two days, the Band members also got a glimpse of New York City as well as the United Nations Building. This wonderful trip to the New York World's Fair proved to be a most rewarding experience for those who took part.

Advisor: Mr. Valeriani

 Kathleen Crowe

The Cheerleaders under the guidance of Mr. Valeriani provided the school spirit which inspired and encouraged our Mustangs on to victory. Their energetic voices sounded through Chevalier Auditorium and on the sports field as they enthusiastically cheered our boys in Blue and White.

Advisor: P. Daniel Donovan

The **Blue and White** of the class of 1965 is a product of the incessant effort of our new adviser, Mr. P. Daniel Donovan, and the hard work of the staff. Mr. Donovan has altruistically devoted his time and undaunted efforts in order to formulate a truly fine yearbook.

The staff, probably one of the most energetic and unselfish groups who have ever worked on a class yearbook, contributed their time and varied talents toward the consummate effort that produced the 1965 **Blue and White**.

We are deeply indebted to our Editor, Margaret Cangiano, who has devoted many hours to the realization of our yearbook. Without her dynamic efforts, a yearbook so exceptional as this would not have been possible.

The Math Club has followed a vigorous program of advancement during the past year. It has become associated with two statewide organizations, the Mathematical Classical League and The Massachusetts Association of Mathematical Leagues, and with one national organization, Mu Alpha Theta which is sponsored by the University of Oklahoma. Meeting every week for an hour, the Math Club has sought to investigate topics in mathematics, such as Calculus and Probability, that are not encountered in normal curricular study. To further this end and to ensure active participation of the membership each member was required to present a five minute talk concerning a suitable aspect of mathematics. In January a field trip was arranged to visit the large computer at the Massachusetts Institute of Technology. In February the Math Club played host to the ten math teams of Division Two of the Greater Boston Mathematics League who met for the third of four annual competitions. These and other activities have enabled the Math Club to achieve its goal of expanding interest in the multifaceted world of mathematics.

## PEP CLUB

President: Nancy Rossi  
 Vice President: Mary Santos  
 Secretary: Linda Norton  
 Treasurer: Grace Donoghue

When someone hears somebody mention the pep club, football, soccer, basketball or some other sport is usually involved. This year our pep club has been exceptionally well-organized and very adequately run.

A pep club does exactly what it is called. When a sport of any kind is held, especially football, cheerleaders are usually on hand. They are there to keep the spirit of the attendants as high as the sky. They also cheer their team on and try to encourage them to do better. Of course, the cheerleaders are not able to arouse the spirits of the people in the stand to any great extent, so naturally the pep club helps greatly.

The pep club is made up of girls from Medford High School. They cheer along with the cheerleaders to get everyone's spirits higher. Therefore this keeps everyone interested in the game and also makes it very enjoyable and a reason for coming to any sort of athletic game.

## VOCATIONAL STUDENT COUNCIL

The Vocational Student Council is the official student organization of the M. V. Weldon Vocational High School. This organization of the Voc. is recognized by the administration and teachers all as well as students.

A junior and a senior from each of the eight departments are elected by their class to this council. The elected president and secretary become members of the Medford High School House of Delegates, and the vice-president and treasurer become members of the Medford High School Student Council.

The council meets weekly to discuss and formulate plans for various activities such as organizing assemblies, collecting funds for charities, and participating in cafeteria supervision.

Through the efforts of the council, pupils and faculty unite to promote the success of all extra-curricular activities, to develop the spirit, ideals and practice of good citizenship, and to promote the general welfare of the M. V. Weldon Vocational High School.

Advisor: Mr. Romano  
 President: Richard Lechtenberg  
 Vice-President: Katherine Pagliuca  
 Sec.-Treas.: Dorothy Gogan

Unique this year at Medford High School is the formation of the Pre-Med Club under the direction of Mr. Romano. Since the fields of medical sciences are ever increasing and drawing more and more college-minded students into the professions of Dentistry, Technology, Research, Pharmacology, Medicine, and countless others. The function of this new group is to provide an extra-curricular introduction to these sciences and to give these scientifically-minded students the chance of being with others who share a common interest.

The club this year held monthly meetings and made many field trips to hospitals, medical schools, and other medical institutions. The enthusiasm shown by the students this year is sure to be only a forerunner of this welcome addition to the other activities at Medford High School.

## SKI CLUB

### SKI CLUB

Advisor—Mr. Mahn

This past winter a daring group of M.H.S. students invaded the ski slopes. Under the excellent direction of Mr. Mahn, the new organization completed its first successful ski season. Included in a package plan of reduced rates for equipment and slope fees, were lessons in ski technique from the Penny Pitou Ski School. The club's overall program was particularly suited to the needs of the novices who composed 95% of the membership.

The club's activities were comprised of ski films, demonstrations of ski technique, and weekly trips to the Blue Hill ski area. These night time outings proved to be a great success, and as a result the club planned to further extend its program in coming years to include weekend excursions.

## *In Memoriam*

The entire senior class has been deeply shocked at the passing of Kathleen Parris. Her memory brings to mind a sweet, quiet young girl, well liked and respected by us, her classmates. Devoted to her studies with high aspirations for a future which was not to be realized, Kathleen attained high scholastic achievement as a student at Medford High School. Vibrant and enjoying life to its fullest, she was one among us, participating in our various school activities. High school graduation created a void in our class which can never be replaced, but the memory each of us has of an energetic, joyful teenage girl cannot be destroyed.

# HOMO SAPIENS

As our golden high school days at M.H.S. have ever so swiftly drawn to a close, the Class of '65 has come to realize and to appreciate the outstanding faculty with which we have been blessed and which has served as a guiding star during these highly impressionable years. As the Class takes inventory of the past three years, one of the key personalities of the faculty who comes to the forefront in our memories is Mr. Ricker. He seems to exemplify our visions of the true teacher. He certainly has been a vital and necessary part of our activities. All of those students who have come into contact with him either in the classroom, in his capacities as Senior Sub-Master, Advisor to the Talent Show, or in any other occasion, have felt the impact of his dynamic personality. What would Medford High Proms be like without the swift moving figure of Mr. Ricker whirling Mrs. Ricker about the dance floor?

While in the presence of Mr. Ricker, a person cannot help but become immediately aware of both his boundless energy and good humor. He seems to radiate this vigor and frivolity as he bounces through the corridors of M.H.S. This vitality has found an outlet

in the many activities he has taken on at Medford High. The students of Medford High, especially those of the graduating Class of 1965, certainly owe Mr. Ricker a debt of gratitude for all of the tasks he has undertaken on our behalf.

One of the major activities in which Mr. Ricker was actively engaged for a number of years was the production of the various Yearbooks of past graduating classes. He carried on his duties as Advisor to the Yearbook with a tremendous amount of devotion and conscientiousness. Unfortunately, this year it was necessary for him to give up his Advisorship to the Yearbook as a result of his promotion to Senior Sub-Master and his many other time-consuming obligations. But at this time Mr. Ricker should be acknowledged for the many years of devoted service he has rendered to this most important project.

In the roles of educator, disciplinarian, counsellor and advisor, Mr. Ricker has certainly excelled. As we of the Class of '65 look back on those unforgettable high school days, Mr. Ricker will undoubtedly ever remain as one of the outstanding figures of these three precious years.

#### Medford 20

The Mustangs opened their grid schedule on a happy note as they toppled the Arsenal Towners of Watertown by a score of 20-14. The victory was sparked by the passing combination of quarterback, was impressive as he led the team in yards rushing and was scoring passes of 31, 26, and 66 yards. A DiMare to Young pass also accounted for a two point conversion after the touchdown sparking the Mustang line play were co-captains Dave Marotta and Doug Spurling, along with Tony Mayo, Bernie McGinnis, Harold Brown, and Paul Gounaris. Gene Alston, the other half back, was impressive as he led the team in yards rushing and was on the receiving end of some of DiMare's aerials. John Hardy sparked the defensive back field as he intercepted two passes. Fred Roberts' panting helped the Mustangs when they were deep in their own territory.

#### MALDEN 24

#### MEDFORD 0

For the first time during the season Medford was shut out by its opponent. The Mustangs fell to their Thanksgiving Day rivals, Malden, by a score of 24-0.

The opportunities weren't with Medford this week. They had an intercepted pass turned into a touchdown and later when Malden kicked off, the Mustangs fumbled and the Golden Tornadoes scored shortly thereafter.

Quarterback Dick DiMare's passes were on target but due to the wet conditions his receivers couldn't hold onto the ball.

Playing admirably for Medford were Tony Mayo, Bill Riley, Harold Brown, Dave Marotta, Jack Hardy, Bill Young, and Dick DiMare, who was playing his first game on defense.

Medford's deepest penetration into Malden territory came late in the second period when linebacker Harry Brown intercepted a Malden pass on his forty-yard line and returned the pigskin 30 yards. A tip of the hat to Dick DiMare, Young, Jenkins, and Hardy who provided the spark to the Mustang attack throughout the entire season. These boys did exceptional jobs and should be singled out as top Mustang performers during the entire football campaign.

**Medford 26****North Quincy 6**

The passing of Dick DiMare, together with the running of John Hardy, highlighted this 26 to 6 trouncing of the North Quincy Raiders. DiMare threw for three touchdown passes and a point after conversion, while also running for a nifty 30 yard touchdown. The senior quarterback passed T.D. passes to John Hardy and Tom Jenkins with Jenkins on the receiving end of two of DiMare's areials. Bill Young caught a pass for the two point conversion. Hardy sparked the Medford running attack as he continually chalked up sizeable gains. Bill Riley sparked the defensive unit as he accounted for one of the six Mustang pass interceptions. Doug Spurling alertly recovered a North Quincy fumble. Dave Marotta, Tony Mayo, Paul Gounaris, and Fred Roberts sparked the offensive line as they gave Dick DiMare plenty of time for his accurate passes; this quartet also gave the North Quincy line trouble as their defensive work handicapped the running and passing of North Quincy. The Mustangs proved their determination as they bounced back after a tough loss to Somerville the previous week with a real shellacking of North Quincy.

**MEDFORD 16****SOMERVILLE 20**

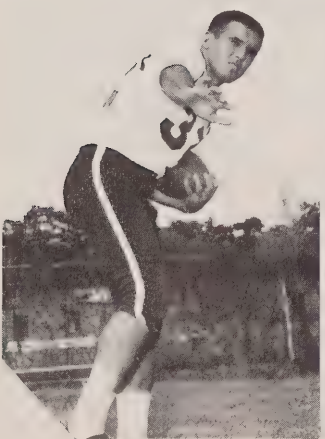

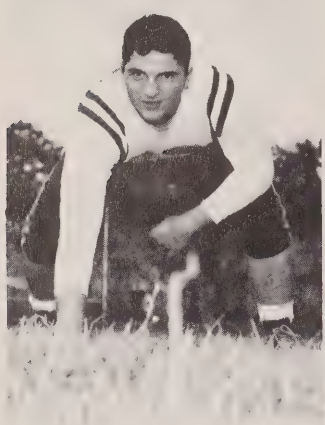

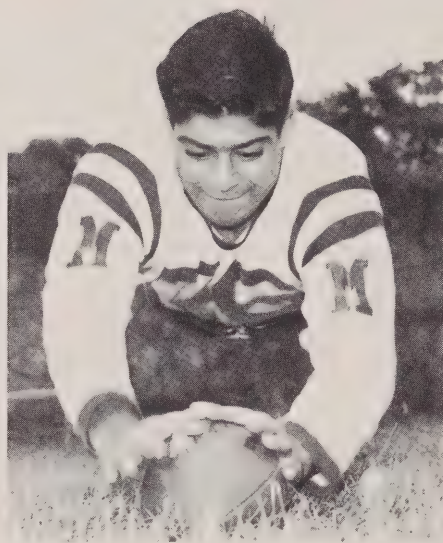

This traditional encounter proved to be a misfortunate one for the Mustangs as they had what seemed to be the winning touchdown nullified by a penalty. Dick DiMare was once again on target for this time he found a new receiver for his touchdown passes in split-end Tom Jenkins. The DiMare to Jenkins combination clicked for two touchdowns and a point after touchdown conversion. Butch Jewett caught a DiMare pass for the other two points conversion. Somerville took the lead, 20-16, with four minutes remaining in the game. A DiMare to Young pass covering 40 yards was called back because of a penalty. Dave Marotta blocked a punt to help set up the Mustang's second touchdown.

**Medford 14****Quincy 36**

A spirited Medford team met defeat for the fourth time this season as they bowed to the Presidents of Quincy 36 to 14. Quincy took an early 6 to 0 lead but the Mustangs came back to score fourteen straight points as they did last week. Dick DiMare once again was on target as he found Billy Young for two touchdown passes on throws of 25 and 40 yards. DiMare hit sophomore Dave Polcari for the two point conversion with an areial. The Mustangs lead was short-lived as Quincy came back and tied the score just before the end of the half. The second half was all Quincy as they exploded for 22 points to ice the verdict. The Quincy team, by far, has proven to be the best team the Mustangs have encountered this season. They displayed a hard-running back field balanced by a large strong, hard-rushing line. A number of serious injuries also plagued the Medford attack. Credit should be given to Dick DiMare as he was practically the entire Mustang offense, running well and consistently throwing the ball on target to his receivers.

## HAVERHILL 26

Medford met defeat for the third time this season as they fell victim to the Hillies of Haverhill by a score of 26 to 14. The one bright moment of Mustang play came in the second quarter when Medford scored its 14 points after trailing 6 to 0. The scoring started as fullback, Jack Monbouquett, broke through the Haverhill line for a twenty-yard touchdown. Later, Dick DiMare hit Bill Young with a 40 yard scoring pass. Young made a spectacular catch and eluded several Haverhill tacklers to go into the end zone. DiMare, the senior quarterback, then threw a two point conversion pass to John Hardy. At the half the Mustangs led 14 to 6, but in the second half Haverhill scored 20 points to keep Medford on the short end of the score. Haverhill was a much improved team in the second half. Injuries were a factor detracting from the play of the Mustangs. John Hardy and Jack Monbouquette were the two bright spots for the Medford offense, as they did the bulk of the game's running.

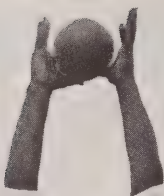

**MEDFORD 16****EVERETT 26**

The Mustangs outscored the Crimson Tide of Everett in the second half, 8-6, to show that they never give up. However, this effort wasn't enough as Everett had piled up a 20 to 8 half-time lead. Misfortune hit Medford again as it had a touchdown pass called back because of a penalty. Dick DiMare hit John Hardy for a touchdown pass and then followed it up with a two point conversion pass to Bill Young to give the Mustangs an 8-0 lead at the end of the first quarter. Unfortunately, Everett scored 20 points after this to take the lead. The opening of the second half saw the determined Mustangs drive 85 yards, a march taking almost the whole third period, capped by DiMare's quarterback sneak from the one-half yard line on a fourth down. DiMare hit Bill Young with the two point conversion pass. Medford's top pass receivers, Bill Young and Tom Jenkins, were on the receiving end of many of DiMare's aerals. John Hardy, Jack Monbouquette, and Bob Maiocco did the running for the Mustangs offense and performed exceptionally well behind a strong blocking offensive line.

**Medford 6****Chelsea 6**

Medford had victory snatched away from them on the last play as Chelsea scored on a last ditch 16 yard pass play. Once again the DiMare to Young pass combination clicked; this time for 80 yards just before the close of the first half. The Mustang linemen proved to be impressive as they twice drove on sustained marches against a bigger Red Devil line. They also showed determination as they stopped Chelsea from converting for the point after touchdown.

**MEDFORD 14****NEWTON 14**

For the second time during the season, the Mustangs found themselves in a deadlock at the end of the game. This was a comeback effort sparked by Dick DiMare, Bill Young, Bob Maiocco, and Jim Christopher. Newton scored first, but a Dick DiMare to Jim Christopher pass put Medford on the scoreboard. However, Newton scored again to make the score 14 to 6 at half-time. The second-half was completely dominated by the Mustangs. They had two sustained drives during this half. The second one started when Fred Roberts alertly pounced on a Newton fumble. A few plays later, DiMare hit Young with an aerial to put the ball on the Newton Tigers' five yard line. On the very next play DiMare swept into the end zone for six points. Rich then threw a two point conversion pass to John Hardy. This was all the scoring in the game. Some crisp blocking by Dave Marotta and Harry Brown helped Medford to sizeable gains on the ground. Once again Medford showed its ability to comeback, and not give up, after it had a slow start in the first half.

## SOCCKER

Coach Allyn "Bud" Stillman produced his twenty-fourth winner in twenty-five years as Medford High School's soccer coach with an 8-6-2 record. Led by Captain Ronald Carbone and junior Tony Padovani's new scoring record, the defending Eastern Massachusetts team won recognition in its own right. The booters started the season in high style; then the lack of experience hurt the team. There were only five returning lettermen: Captain Ronald Carbone, Fernando LePore, Robert Maden, Dave Marchese, and Tony Padovani. After losing three straight games, a negative record of recent soccer teams, the team had gained the experience necessary to gain a berth in the state tournament. Players such as Cliff Herbert, Paul Monagle, Bob Monagle, Bob Taddeo, Kenny Previte, Paul Malatesta and many other senior and juniors developed fast under the guidance of Coach Stillman enabling the team to have a winning season and a tournament berth for the third straight year.

One of the highlights of the season was the 6-0 victory of previously once defeated Lincoln-Sudbury. The victory helped insure the tournament berth where they avenged an earlier 1-0 loss to Winchester. In the semi-finals the Mustangs produced it finest effort of the season in vain against Lincoln-Sudbury. The 3-3 tie was awarded to Lincoln-Sudbury. The game and season, however, were not in vain as the team displayed a fighting spirit. In the closing seconds of the Lincoln-Sudbury game, the Mustangs scored a goal to keep their hopes alive. So it was all season as the desirous team fought, won, and sometimes lost, but the effort and desire were ever present. The members of the soccer squad won their recognition when Coach Stillman called them "his champs."

## HOCKEY

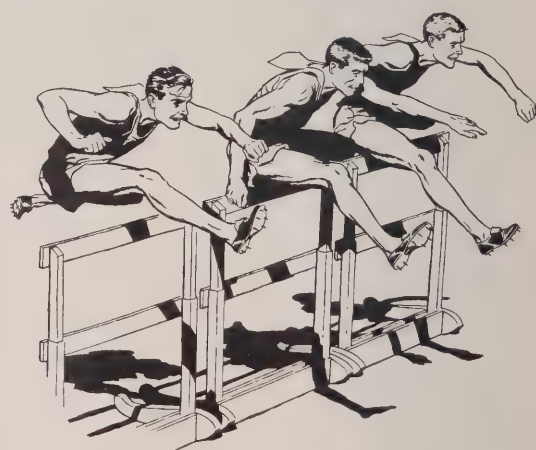

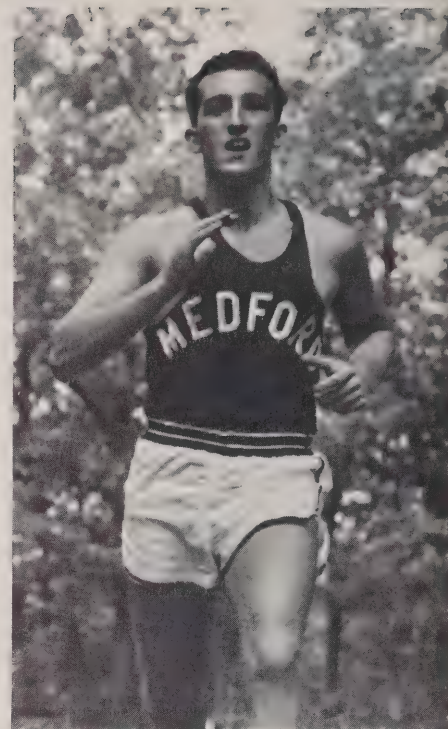

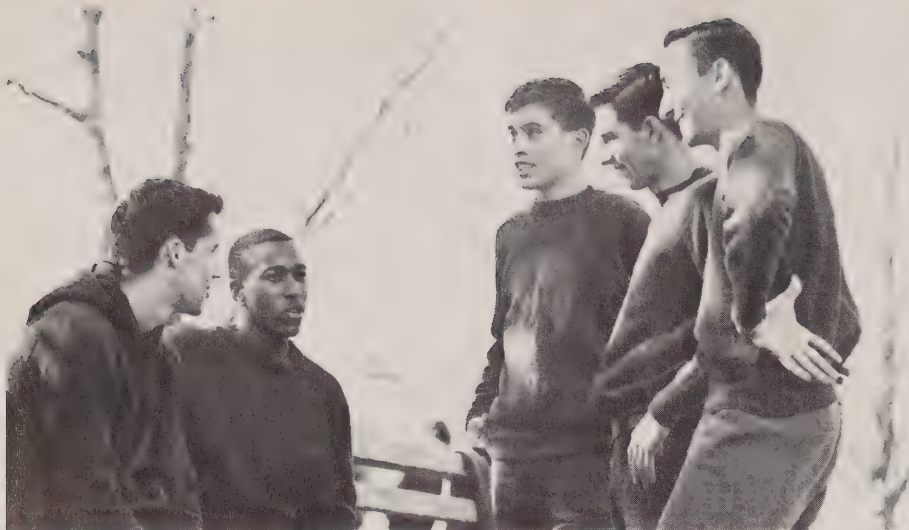

#### Hockey Season Summary

The hockey season of 1964-1965 was a rebuilding one for Medford icemen. This could be seen as six underclassmen, five sophomores and one junior, skated on the first two lines. Only two seniors appeared for Medford — defenseman Joe Mongiello and forward Fred Roberts, with Mongiello being the captain. The reason for Medford's inexperience was the loss of seniors, Bill Driscoll and Bill Flynn, both ineligible due to injuries. The Medford team played on par with three league members — Rindge Tech, Brookline, Somerville, and Cambridge — but found the other teams in the league — Waltham, Newton, and Arlington — much bigger and stronger. The team, however, still gave its best effort. In one of its best games of the season, against Rindge Tech, the Medford boys showed their young spirit in playing a fine game and coming out on top in the score. Coach Brady, along with Paul Malatesta, his senior manager-assistant, deserves much credit for their hard work and keen interest in developing a hockey team from a group of inexperienced boys. The future of the hockey team looks very bright since four of the five regular defensemen will be back next year. The goalie is only a junior, and this year's leading scorers were sophomores and juniors.

## CROSS-COUNTRY

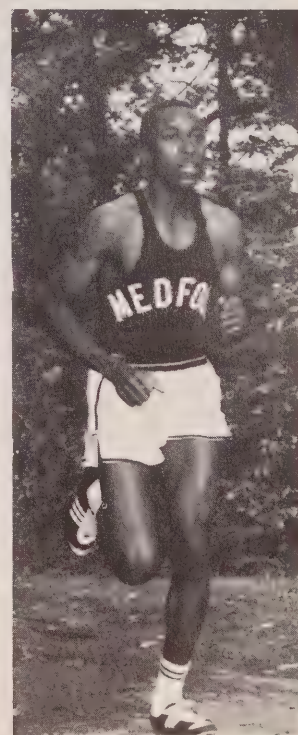

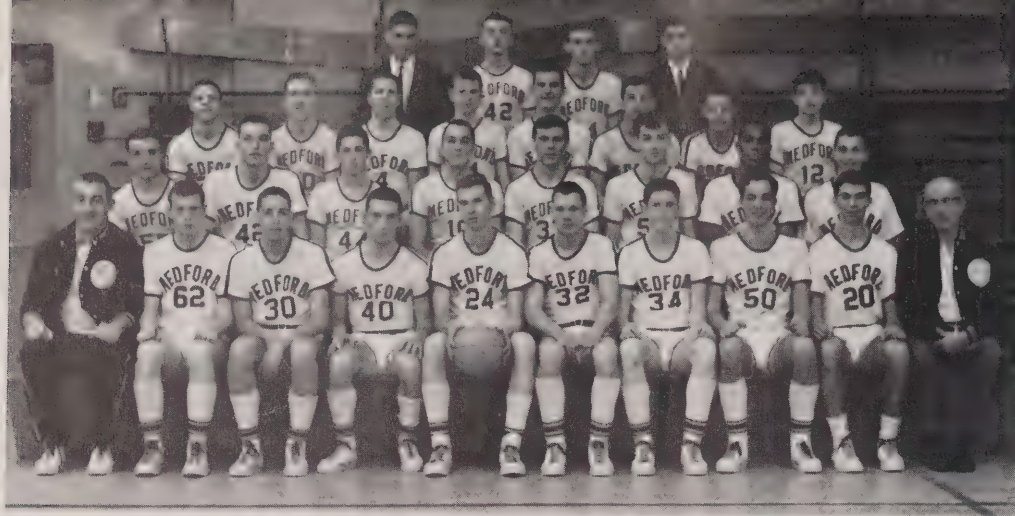

Summary of the Cross-Country Track Team  
 Medford High's Cross-Country Harriers wound up their season with a 2-4 league competition record. Medford High's newest addition to its athletic program was headed by Co-captains Ed Andrews and Jim Keefe. There were only four seniors of the twelve team members. They were Ed Andrews, Frank Conners, George Klatt, and Steve Boudreau. The names of the boys that scored sufficient points to earn their letters in the order of their standing, were; Ed Andrews, senior; Jim Keefe, junior; Scott Johnson, sophomore; Frank Conners, senior; Fred Klatt, sophomore; Greg Battle, junior; and George Klatt, senior. Manager Steve Gerokoulis was also awarded his letter.

The high scorers for the team were Co-captains Ed Andrews and Jim Keefe. The team was coached by Medford's indoor and outdoor track coach J. Walter Langley.

## BASKETBALL

### Basketball Summary

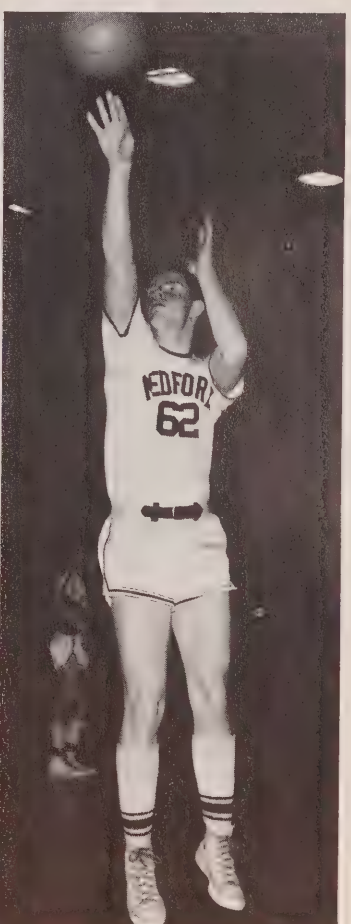

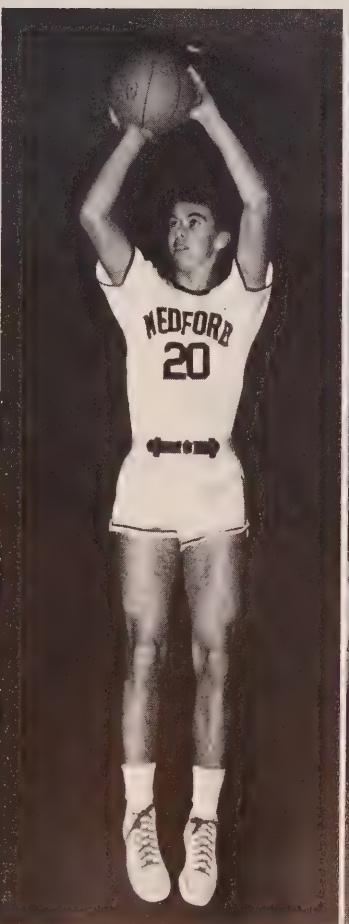

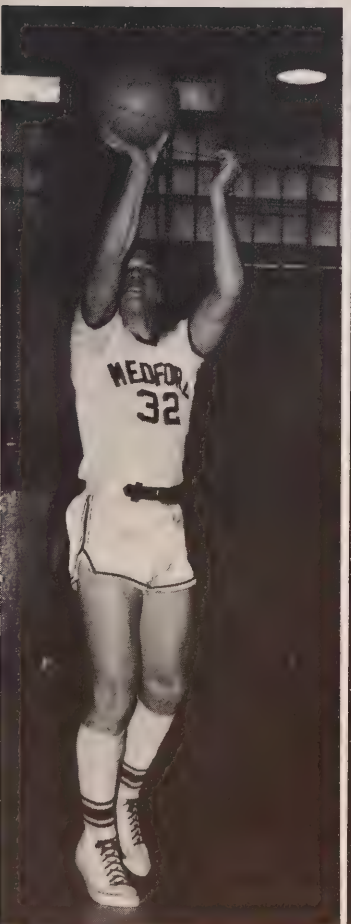

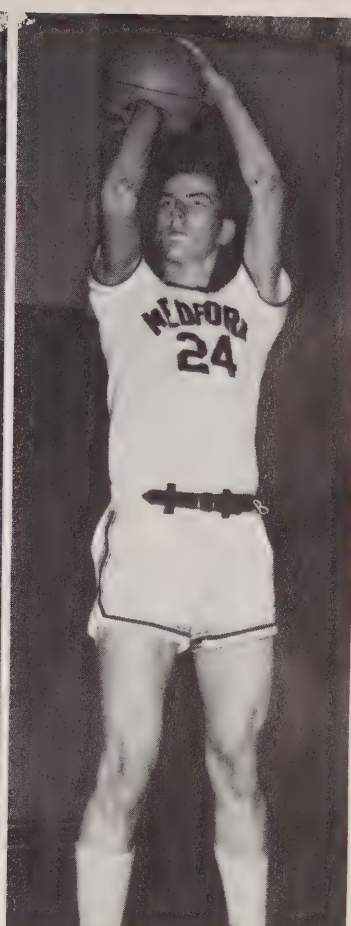

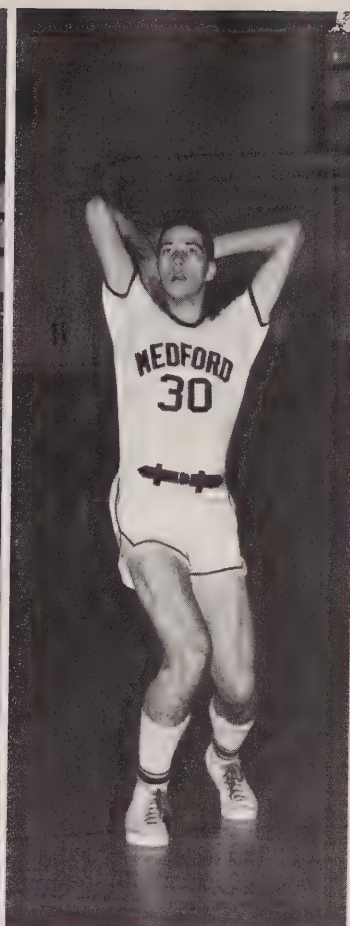

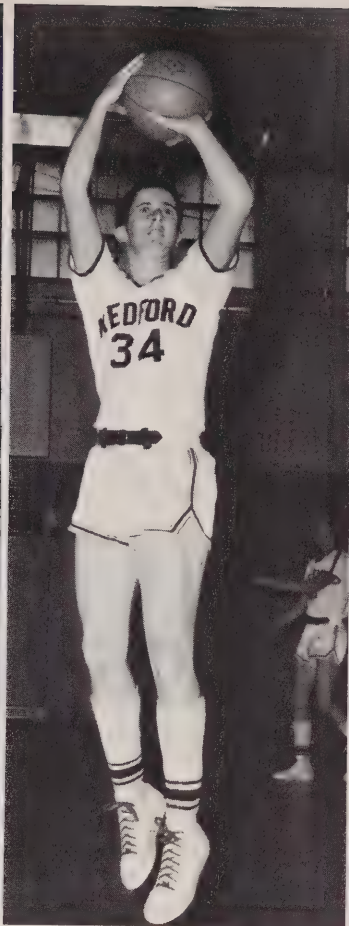

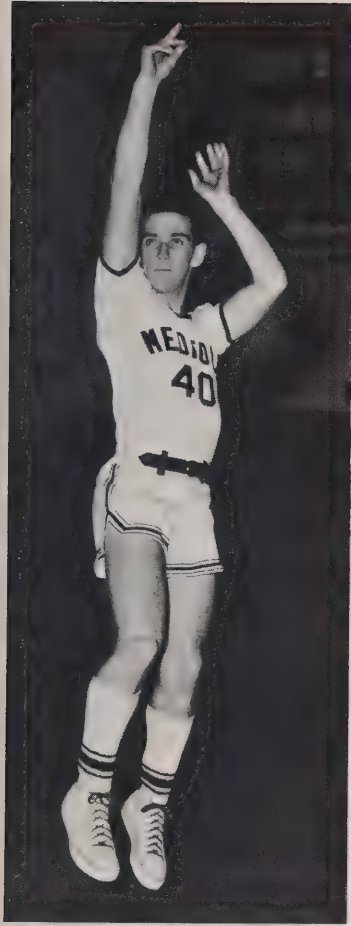

The Medford High basketball team of 1964-1965 was a scrappy, hard-fighting group which made up for its lack of experience with its spirit. High scoring forward and captain Stan Fiumara was the spark plug of the team throughout the season. His scoring and all-around play making was a big asset to the team. Don Brown, also a forward, was the second leading scorer and displayed some good play-making process. Brown and Fiumara both averaged more than fifteen points per game. Other senior performers for the Mustang cagers who performed credibly were Phil Connors, Dick DiMare, Jim McEleney, Bob Dieter, and Dave Marotta. Playing against some of the top competition in the state, Medford showed that it would battle from the opening whistle to the final buzzer. Victories over Brookline, New Bedford, and Chelsea proved that the Medford cagers were an exciting team to watch. The powers of the league, Everett, Somerville, Quincy, and North Quincy, although they defeated Medford, knew that they had been in tough games and had to battle to the end of the wire to defeat a scrappy Mustang club. On the whole, the season had some surprises, but the Medford team showed that it could give a tough battle to any team in the league.

Time and time again the Mustang cagers showed their ability to come back after falling behind their opponents. This was the top quality that the Medford team displayed throughout the season. The starting five consisted of seniors Stan Fiumara and Don Brown, juniors Dick Lawrence and Chris Arciero, and sophomore Bob Tancredi. The five formed the nucleus of a "never give up" team that outplayed taller and more experienced teams many times during the season. The reserve strengths of Dick DiMare, Phil Connors, Jim McEleney, Bob Dieter, and Dave Marotta provided a well-needed rest for the starting five.

Good coaching and solid team play helped the cagers to pull off a couple of upsets. A tip of the hat goes to coaches Appiani and Sweeney for their hard work in preparing a relatively inexperienced group of boys to play a tough schedule and yet still provide good games for us to be proud of.

Supervised and directed by Mr. Henry R. Selvitella, teacher of journalism, Medford High School students produced an award-winning newspaper this year. The **Mustang News** received an award from the New England Scholastic Press Association for "Highest Achievement in Scholastic Newspaper Editing and Publishing" for 1964. Editor-in-Chief Linda Rosenblatt deserves hearty congratulations on the February edition of the paper. Its originality in verse, skill in feature writing, and excellence in photography and publication contrive an exceptional talent display of which its staff can feel extremely proud.

## STYLE SHOW

Shortly after school opened in September, the makers of Simplicity Patterns proposed a style show for the benefit of all girls who took home economics. It was decided that they would supply the fashions, and we would provide the girls.

The style show took place in Chevalier Auditorium in mid-October. The participants were junior and senior girls who had class in clothing. Among the styles modeled were simple back-to-school outfits, winter sleepwear, evening gowns for special occasions, and ski clothes for the sportsminded.

Mrs. Fuller, head of the Home-Economics Department, supervised the show and trained the girls to act as professional models. The show, in all of its splendor, was a complete success, enjoyed by all those fortunate enough to view it.

# THANKSGIVING RALLY

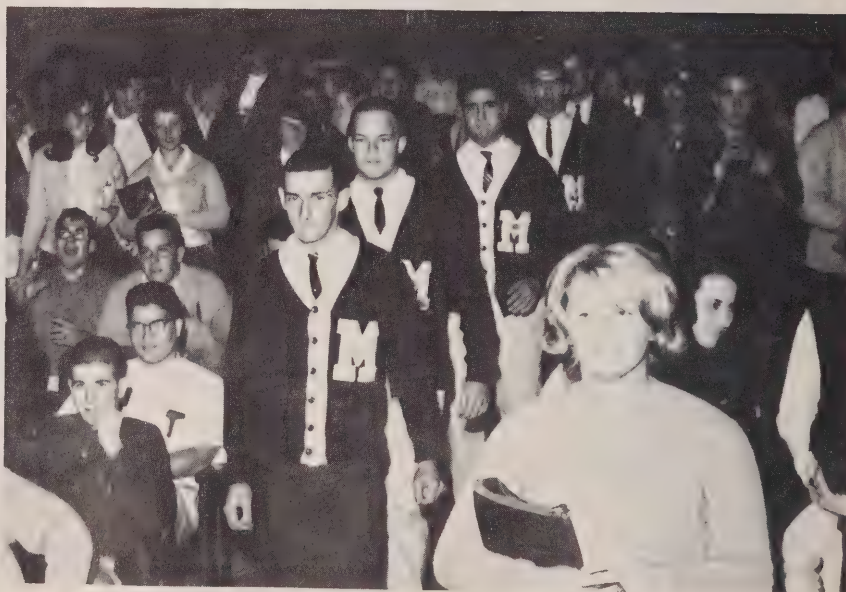

In the midst of strains of the Mustang Fight Song, exuberant seniors stampede into Chevalier Auditorium for the pre-Thanksgiving football game rally.

The Cheerleaders ably provided decorations that were demonstrative of the warlike spirit of the Mustang Football Squad. The Cheerleaders also sparked the rally with their indomitable cheering.

Unstoppable spirit was exhibited in the pre-battle orations of Coach Gianelli, Mr. McCormack, and the other speakers.

Upon the entrance of the varsity football squad a deafening tone arose from the students who filled the auditorium.

The spirit and desire exhibited by the football squad, the cheerleaders, the faculty, and the student body seemed to present an unbeatable alliance.

## HOUSE OF NAZARETH

# AVE ATQUE VALE

Mrs. Josephine Bruno Pane

Mrs. Josephine Bruno Pane was born in Boston, Massachusetts. Her parents, Mr. and Mrs. Philip Bruno, desirous of making their children proficient in more than one language, maintained Italian as well as English in their home. It was, no doubt, this bilingual background which created Mrs. Pane's early interest in foreign languages and led her to select them as her field of concentration in college. She received the degree of Bachelor of Arts at Boston University, and one year later, the Masters of Art at the same institution. She did further graduate work at the Middlebury College Italian School and the University of Mexico.

Mrs. Pane began her professional career at Medford High School, where she taught French, Italian, and Spanish. In 1955, she was named Head of the Department of Modern Foreign Languages and Director of Foreign Languages in the Elementary schools of Medford. She was one of the first in the country to establish a successful program of continuous foreign language study from the elementary schools through high school. Under her direction, the Medford program became one of the most outstanding in the country. In 1963, Mrs. Pane was named Director of Modern Foreign Languages of the Medford Public Schools.

A teacher of college and graduate students as well, Mrs. Pane held the position of Lecturer in Romance Languages at Tufts University. From 1960 to 1963, she was Associate Director of the Tufts University Institute for Teachers of Elementary School French and Spanish. In 1959, she was in charge of the Boston College Institute for Teachers of Advanced Placement in French.

In May, 1963, Mrs. Pane received the Amita Award for achievement in Foreign Languages. "Amita," an organization which annually awards women of achievement selected her as one of the twelve leading women in the United States.

She holds membership in Phi Sigma Iota, National Honor Society for Romance Languages, and is listed in the Who's Who in American Education, Who's Who of American women, Who's Who in the East, the Dictionary of International Biography, and the Directory of American Scholars.

Among the honors which Mrs. Pane cherishes most is the Medaglia al Merite Culturale, a medal conferred upon her in 1961 by the Italian government, in recognition of her contribution to the advancement of Italian studies and culture.

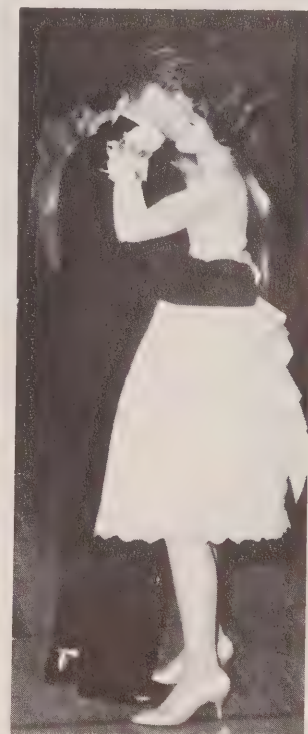

Mrs. Pane was married in August, 1964, and remained in the service of Medford Public Schools until November. She is now living in Highland Park, New Jersey. Her husband, Professor Remigie U. Pane, is the chairman of the Department of Romance Languages at Rutgers University.

Mrs. Pane's absence will be acutely felt by Medford High School teachers and students alike, for it is inevitable that one whose contributions have been so outstanding will be missed by all. We may, however, look to the future in the knowledge that Mrs. Pane has provided a cornerstone upon which we may further build a tradition of excellence in our modern foreign language department.
